 woman chief of the Mississippi Choctaw -- Building an entrepreneurial  
 spirit within tribal nations / David Sickey -- Seeking prosperity and  
 self-determination / Stephanie Bryan -- Defining moments / Malinda  
 Maynor Lowery -- Working toward a healthy future for the Cherokee  
 Nation / Ahli-Sha Stephens -- Native youth in agriculture / Elliott  
 Nichols.

## Sommario/riassunto

The history of Native Americans in the U.S. South is a turbulent one,  
 rife with conflict and inequality. Since the arrival of Spanish  
 conquistadors in the fifteenth century, Native peoples have struggled to  
 maintain their land, cultures, and ways of life. In *We Will Always Be  
 Here*, contemporary tribal leaders, educators, and activists speak about  
 their own experiences fighting for Indian identity, self-determination,  
 cultural survival, and community development. This valuable collection  
 portrays the lives of today's Southern Indians in their own words.  
 Reflecting on such issues as poverty, education, racism, cultural  
 preservation, and tribal sovereignty, the contributors to this volume  
 offer a glimpse into the historical struggles of southern Native peoples,  
 examine their present-day efforts, and share their hopes for the future.  
 They also share examples of cultural practices that have either endured  
 or been revitalized. In a country that still faces challenges to civil rights  
 and misconceptions about Indian identity and tribal sovereignty, this  
 timely book builds a deeper understanding of modern Native peoples  
 within a region where they are often overlooked.

2. Record Nr.	UNINA9910454758503321
Titolo	Handbook of childhood death and bereavement [[electronic resource] /] / Charles A. Corr, Donna M. Corr, editors

Sommario/riassunto	In this comprehensive handbook, a leading group of experts improve our understanding of the challenges faced by children when coping with death, dying, and bereavement. Organized into three parts, the volume addresses specific issues involved in confrontations with death; discusses the role of bereavement; and explains specific therapeutic interventions for caregivers. The reader is introduced to four distinct periods within childhood--infancy, toddlerhood, early childhood, and middle childhood. Through case examples, the contributors illustrate a child's experience with death and bereavement
