| | Sommario/riassunto | Current Issues in Language Evaluation, Assessment and Testing: Research and Practice is a collection of research papers, most of which were presented at the 17th World Congress of the International Association of Applied Linguistics (AILA), which was held in 2014 in Brisbane, Australia. The volume comprises 15 chapters presenting current research projects and discussing issues related to language testing and the development of language assessment instruments in a variety of contexts around the world. This anthology will be of use to both new and seasoned researchers within the field of Applied |
