Sommario/riassunto	Content and Language Integrated Learning (CLIL) is an innovative approach referring to educational settings where a language different from the learners' mother tongue is used as a medium of instruction. This other language is found to be used from kindergarten to the tertiary level, and the extent of its use may range from occasional foreign language texts in individual subjects to covering the whole curriculum. The changes in the technological, economic and social realities of the modern world have led, and still lead, to more frequent contact between people of different linguistic and cultu
