Sommario/riassunto	Input a Word, Analyze the World represents current perspectives on Corpus Linguistics (CL) from a variety of linguistic subdisciplines. Corpus Linguistics has proven itself an excellent methodology for the study of language variation and change, and is well-suited for interdisciplinary collaboration, as shown by the studies in this volume. Its title is inspired by the use of CL to assess language in different registers and with a variety of purposes. This collection contains thirty contributions by scholars in the field from across the globe, dealing with current topics on corpus production an
