Sommario/riassunto	The Secret Life of Decisions exposes the unchallenged myths and distortions that impact our reasoning ability, raising our awareness of the many traps we can fall into. The authors have drawn from decades of work with leaders showing that even the most talented leaders and teams can end up making sub-optimal decisions. This is rarely because they had poor critical thinking faculties but rather because they did not pay enough attention to the often invisible traps hardwired into our

thinking processes, letting through only information that conforms with our current beliefs, mental models and ex
