

1. Record Nr.	UNINA9910466078003321
Titolo	Design safety considerations for water cooled small modular reactors incorporating lessons learned from the Fukushima Daiichi accident
Pubbl/distr/stampa	Vienna, Austria : , : International Atomic Energy Agency, , 2016 ©2016
ISBN	92-0-126719-3
Descrizione fisica	1 online resource (145 pages) : illustrations (some color)
Collana	IAEA TECDOC Series, , 1011-4289 ; ; 1785
Disciplina	621.4831
Soggetti	Water cooled reactors - Design and construction - Safety measures Nuclear power plants - Accidents - Prevention Electronic books.
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
