Sommario/riassunto	Bad clowns--those malicious misfits of the midway who terrorize, haunt, and threaten us--have long been a cultural icon. This book describes the history of bad clowns, why clowns go bad, and why many people fear them. Going beyond familiar clowns such as the Joker, Krusty, John Wayne Gacy, and Stephen King's Pennywise, it also features bizarre, lesser-known stories of weird clown antics including Bozo obscenity, Ronald McDonald haters, killer clowns, phantom-clown abductors, evil-clown panics, sex clowns, carnival clowns, troll clowns, and much more. Bad Clowns blends humor, investigation, and scholarship to reveal what is behind the clown's dark smile. This book describes the history of bad clowns, why clowns go bad, and why many people fear them.
