Note generali	This edition previously issued in print: Oxford: The Littman Library of Jewish Civilization, 2011.
Nota di bibliografia	Includes bibliographical references and index.
Sommario/riassunto	This classic study of the idea of Noahide law traces the concept's historical development and shows how it is relevant to practical discussions of the halakhah pertaining to non-Jews and to relations between Jews and non-Jews. Individual analyses of each of the seven Noahide laws, drawing primarily on classical rabbinic texts by traditional commentators, are followed by a discussion of the underlying theory.
