| Sommario/riassunto      | Extrait : ""Les epoques qui suivirent la decouverte du Nouveau Monde sont remarquables par la transition qui se fit alors dans les habitudes sociales. De nouveaux besoins surgirent tout a coup avec de nouveaux desirs. Des substances, des remedes inconnus, des calamites nouvelles parurent dans ces siecles, tandis que d'anciens usages et diverses maladiso perdirent peu a peu de leur puissance pour ne plus figurer que dans l'histoire.                                                                                                                             |

|                         |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |
