Salas and Robert L. Fastiggi -- Bibliography / Victor M. Salas and Robert L. Fastiggi -- Index of Authors / Victor M. Salas and Robert L. Fastiggi -- Index of Subjects / Victor M. Salas and Robert L. Fastiggi.
Sommario/riassunto	A Companion to Francisco Suárez examines the thought of scholasticism's Doctor eximius in its entirety: both philosophically and theologically. Many of the most distinctive features of Suárez's thought

are identified and evaluated in light of his immediate historical context. What emerges from the studies contained in this volume is the picture of a thinker who is profoundly steeped in the riches of divergent schools of thought and yet who manages to find his own unique voice to add to the chorus of scholasticism.
