Sommario/riassunto	An independent print-media practitioner, He Hao has been working with distinctive and representative artists in the Chinese contemporary art world, including Ai Weiwei, Xu Bing, etc., and designed more than 100 high-quality books and catalogs since 2003. Recording the current state of art development in China, his works have become an archive of significance. He Hao's practice shows an Asian trend in today's graphic design: the replacement of transplanted Modernism with a contemporaneity informed by the culture and lifestyle of contemporary China and the East.
