Take 2: Ideology, welfare, and single mothers -- Chapter 5. Take 3: Diary of a welfare mother -- Chapter 6. The price of national security.
Sommario/riassunto	Weaving together memoir, auto-ethnography, political analysis, and cultural critique, Lavie equates bureaucratic entanglements with pain--and, arguably, torture--to examine the conundrum of loving and staying loyal to a state that repeatedly inflicts pain on its non-European Jewish women citizens.
