Provision and Integration for Settled Immigrant Communities / Tom Hadden -- Minorities-within-Minorities Frameworks, Intersectionality and Human Rights: Overlapping Concerns or Ships Passing in the Night? / Dolores Morondo Taramundi -- Ethno-Cultural Diversity, Conflict, and Peacebuilding -- Ethno-Cultural Diversity and Conflict: What Contribution Can Group Rights Make? / Chris Chapman -- The Post-Conflict Security Dilemma and the Incorporation of Ethno-Cultural Diversity / Padraig McAuliffe.

Sommario/riassunto

What is the role of ethno-cultural groups in human rights discourse? Under international human rights law, standards are unclear and ambivalent, while traditional analyses have often failed to elucidate and unpack the conceptual, legal, and policy complexities involved. In *Ethno-Cultural Diversity and Human Rights*, prominent experts chart new territory by addressing contested dimensions of the field. They include the impact of collective interests on rights discourse and nation-building, international law's responses to group demands for decision-making authority, and concerns for immigration, intersectionality, and peacebuilding. Drawing from diverse scholarship in international law, legal and moral philosophy, and political science, this volume will be essential reading for scholars and practitioners of human rights, diversity, and conflict management.
