Livello bibliografico	Monografia
Nota di contenuto	Intro -- Acknowledgments -- Table of Contents -- About the Author -- Introduction -- Chapter 1 -- Chapter 2 -- Chapter 3 -- Chapter 4 -- Chapter 5 -- Chapter 6 -- References and Resources -- Index.
Sommario/riassunto	Utilize technology to put students at the center of learning. This book shows educators how to incorporate students' personal technology tools (cell phones, iPads, and laptops) into instruction. BYOD allows students to be active participants in their learning and helps teachers give them an authentic education that equips them with the skills required to be college, career, and citizenship ready.
