Soggetti	Performance practice (Music) - History - 18th century Electronic books.
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di bibliografia	Includes bibliographical references (p. 175-181) and index.
Sommario/riassunto	This book combines a performance guide for violinists, an analytical study, an exploration of Bach's style, and an investigation of musical form and continuity. Central is the question what type of analysis is best applied to Bach's music: wherever possible, Lester draws his analytical tools from 18th-century techniques, developed for this repertoire.
