Friedman, Anna Sofaer, and Robert S. Weiner -- Geospatial data, remote sensing, and aggregating roads data / Carrie C. Heitman and Sean Field -- The protection of monuments and landscapes in Britain : a historical view / Julian Thomas -- Protecting the greater Chaco landscape : preservation and advocacy / Paul F. Reed -- What can be discovered from Chaco archaeology? / Thomas Lincoln.

Sommario/riassunto

"Since mid-1970s, government agencies, scholars, tribes, and private industries have attempted to navigate conflicts involving energy development, Chacoan archaeological study, and preservation across the San Juan Basin. Examines both the imminent threat by energy extraction and ways of understanding Chaco Canyon--and Chaco-era great houses and associated communities"--
