Soggetti	Future, The Subject (Philosophy)
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di contenuto	0.00001: a socially distanced preface -- 0.0001: think small -- I hyperobjects, narcissism, white boys, looping, teenagers, toys, games, squats, gut bacteria -- II ooo, dasein, bananas, phenomenology, children's books, space movies, revolutionary infrastructure, micronauts -- III global village, dyslocation, right wing fantasies, finance capital, speculative realism, downloads, bliss-horror, role-playing games -- IV subtraction, transcendence, excess, implosion, singularity, subscendence, unplugging, roombas61Vsubscendence, holism, dismantle the apocalypse, systems, androleukocene, desire, obesity, correlationism, smooth functioning, mental labor, scavengers -- 0.0002: some suggested readings & viewings.
Sommario/riassunto	The time of hypersubjects is ending. Their desert-apocalypse-fire-and-death cults aren't going to save them this time. Meanwhile the time of hyposubjects is just beginning. This text is an exercise in chaotic and flimsy thinking that will possibly waste your time. But it is the sincere effort of two reform-minded hypersubjects to decenter themselves and to help nurture hyposubjective humanity.
