Talmud that Works Your Heart: New Approaches to Reading / Lev, Sarra -- POSTSCRIPT. What We Have Learned about Learning to Read Talmud / Levisohn, Jon A. -- Contributors -- Index
Sommario/riassunto	Learning to Read Talmud is the first book-length study of how teachers

teach and how students learn to read Talmud. Through a series of studies conducted by scholars of Talmud in classrooms that range from seminaries to secular universities and with students from novice to advanced, this book elucidates a broad range of ideas about what it means to learn to read Talmud and tools for how to achieve that goal. Bridging the study of Talmud and the study of pedagogy, this book is an essential resource for scholars, curriculum writers, and classroom teachers of Talmud.
