Sommario/riassunto	This volume represents the first collection of essays on research dedicated to the work of scholars and experts from Bosnia and Herzegovina. It provides programmatic state-of-the-art overviews of current issues in the language sciences and their applications in first, second, and bilingual language acquisition in naturalistic and tutored contexts, and brings together disciplinary perspectives from linguistics, sociolinguistics, language teaching, education and intercultural communication. This book will be of particular interest to anyone wishing to know the value, and the pitfalls, of current
