Sommario/riassunto	Most people now associate philanthropy with donations of money by the rich to good causes. It has not always been so. The Reputation of Philanthropy explores how our modern definition came about and asks why praise for philanthropy and philanthropists has always been matched by criticism. Were we really capable of loving all of humankind? Was it possible that what was thought of as philanthropy might create a dependency class and do more harm than good? Was it sensible to focus so much on far away places to the neglect of the poor at home? Deeply researched, timely and accessible, this book will inform today's thinking about the role that philanthropy should play in British society. The criticisms of philanthropy in the past have telling echoes in the present.

2. Record Nr.	UNINA9910647228403321
Titolo	Hyperbaric Medicine / / by Costantino Balestra, Jacek Kot (editors)
Pubbl/distr/stampa	[Place of publication not identified] : , : MDPI - Multidisciplinary Digital Publishing Institute, , 2023
ISBN	3-0365-6466-7
Descrizione fisica	1 online resource (156 pages)
Disciplina	615.8/36
Soggetti	Hyperbaric oxygenation - Complications Hyperbaric oxygenation - Safety measures
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di contenuto	About the Editors vii -- Preface to "Hyperbaric Medicine" ix -- Oxygen: A Stimulus, Not "Only" a Drug 1 -- A General Overview on the Hyperbaric Oxygen Therapy: Applications, Mechanisms and Translational Opportunities 7 -- Analysis of the Increase of Vascular Cell Adhesion Molecule-1 (VCAM-1) Expression and the Effect of Exposure in a Hyperbaric Chamber on VCAM-1 in Human Blood Serum: A Cross-Sectional Study 33 -- Clinical Assessment of the Hyperbaric Oxygen Therapy Efficacy in Mild to Moderate Periodontal Affections: A Simple Randomised Trial 47 -- Hyperbaric Oxygen Therapy with Uoprost Improves Digit Salvage in Severe Frostbite Compared to Uoprost Alone 65 -- A Systematic Review to Assess the Impact of Hyperbaric Oxygen Therapy on Glycaemia in People with Diabetes Mellitus 77 -- Critical Flicker Fusion Frequency: A Narrative Review 89 -- Critical Flicker Fusion Frequency: A Narrative Review. Medicina 2021, 57, 1096 99 -- Comment on "Mankowska et al. Critical Flicker Fusion Frequency: A Narrative Review. Medicina 2021, 57, 1096" 101 -- Effect of SCUBA Diving on Ophthalmic Parameters 103 -- Pulmonary Effects of One Week of Repeated Recreational Closed-Circuit Rebreather Dives in Cold Water 117 -- Vascular Function Recovery Following Saturation Diving 131.
Sommario/riassunto	Hyperbaric oxygen is a known therapeutic agent, and treatments using this agent remain a matter of discussion and research. This Special Issue collection will add new knowledge and also offer some not so

usual approaches to foster contemporary understanding and potential benefit for patients and scholars.
