

1. Record Nr.	UNINA9910480024303321
Titolo	Aspects of operator algebras and applications : UIMP-RSME Luis A. Santalo Summer School, Universidad Internacional Menendez Pelayo, Santander, Spain, July 21-25, 2008 // Pere Ara, Fernando Lledo, Francesc Perera, editors
Pubbl/distr/stampa	Providence, Rhode Island : , : American Mathematical Society [Madrid, Spain] : , : Real Sociedad Matematica Espanola, , [2011] ©2011
ISBN	0-8218-8213-9
Descrizione fisica	1 online resource (178 p.)
Collana	Contemporary mathematics ; ; volume 534
Disciplina	512.556
Soggetti	Operator algebras Operator theory Electronic books.
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references.
Nota di contenuto	""Contents""; ""Preface""; ""K-Theory For Operator Algebras. Classification Of C*-Algebras""; ""1. Introduction""; ""2. The Cuntz Semigroup: Definitions, Historical Origin And Technical Devices""; ""3. Hilbert C*-Modules. Kasparov'S Theorem""; ""4. The Category Cu""; ""5. Classification Of C*-Algebras""; ""References""; ""Modular Theory By Example""; ""1. Introduction""; ""2. Modular Theory: Definitions, Results And First Examples""; ""3. Modular Objects For A Crossed Product""; ""4. Modular Objects For The Car-Algebra""; ""5. Some Classical Applications Of Modular Theory"" ""6. Appendix: Crossed Products And The Car-Algebra"" ""References""; ""Modular Theory For The Von Neumann Algebras Of Local Quantum Physics""; ""1. Introduction""; ""2. Free Quantum Fields And Local Quantum Theories""; ""3. Bisognano-Wichmann Relations.""; ""4. Modular Covariance And Modular Localization.""; ""References""; ""The Symbiosis Of C*- And W*-Algebras""; ""Appendix: Basic Definitions And Results For Operator Algebras""; ""1. Introduction""; ""2. C*-Algebras""; ""3. Von Neumann Algebras""; ""References""
