Sommario/riassunto	Practical tools for translating standards to rubrics and ensuring high student achievement! Burke's six-step process helps educators create

tasks that promote learning for all students and write rubrics linked straight to the requirements of state standards. Featuring templates and sample tasks, rubrics, and units, this updated bestseller shows educators how to create more complex performance tasks, work in grade-level or vertical teams, and:

- Apply the six-step process to link teaching and assessment to standards
- Build their own tasks, checklists, and rubrics
- Differentiate for special
