1. Record Nr.	UNINA9910480045403321
Titolo	Quasiconformal mappings, Riemann surfaces, and Teichmuller spaces : AMS special session in honor of Clifford J. Earle, October 2-3, 2010, Syracuse University, Syracuse, New York / / Yunping Jiang, Sudeb Mitra, editors
Pubbl/distr/stampa	Providence, Rhode Island : , : American Mathematical Society, , [2012] ©2012
ISBN	0-8218-9029-8
Descrizione fisica	1 online resource (386 p.)
Collana	Contemporary mathematics ; ; volume 575
Disciplina	515/.93
Soggetti	Geometric analysis Quasiconformal mappings Riemann surfaces Teichmuller spaces Electronic books.
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references.
Nota di contenuto	""Preface""; ""Some remarks on singly degenerate Kleinian groups""; ""1. Thurston changes the nature of the playing field""; ""2. Preliminaries""; ""3. Fuchsian Groups and Collapsed Laminations""; ""4. Torsion-free singly degenerate groups and the quotient 3-manifold""; ""5. Known results about the limit sets of singly degenerate groups""; ""6. Local connectivity and its consequenses""; ""7. Bringing it all together in a picture""; ""8. The Sullivan Dictionary and local connectedness""; ""References""; ""On a theorem of Kas and Schlessinger""; ""1. Preliminaries"" ""2. Triangle groups and triangle -coverings""
