Nota di contenuto	Cover; Copyright ; Contents; Introduction Heather Roberts; The Butcher Shop; The Banning of The Butcher Shop Bill Pearson; Notes; Jean Devanny's Published Work
Sommario/riassunto	<DIV></DIV><I>The Butcher Shop</I> first appeared in 1926. Despite big overseas sales it was banned in New Zealand and later Australia for being disgusting, indecent and communistic - in other words for promoting revolutionary ideas about women and for a bold portrayal of the brutality of farm life. On one level, the novel is a fast-paced account of how passion and jealousy destroy the lives of a rich and cultured farming family; on another it is a fierce polemic for the freedom of women, which in its frankness was years ahead of its time.
