Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di bibliografia	Includes bibliographical references (pages [165]-200) and index.
Sommario/riassunto	South Africa's armed forces invaded Angola in 1975, setting off a war that had consequences for the whole region that are still felt today. A Far-Away War contributes to a wider understanding of this war in Angola and Namibia. The book does not only look at the war from an 'old' South African (Defence Force) perspective, but also gives a voice to participants 'on the other side' -- emphasising the role of the Cubans and Russians. This focus is supplemented by the inclusion of many never-before-published photographs from Cuban and Russian archives, and a comprehensive bibliography.
