

1. Record Nr.	UNINA9910480237603321
Autore	Riccomini Paul J
Titolo	Response to intervention in math [[electronic resource] /] / Paul J. Riccomini, Bradley S. Witzel
Pubbl/distr/stampa	Thousand Oaks, Calif., : Corwin London, : SAGE [distributor], c2010
ISBN	1-4522-7319-7 1-4522-0753-4
Descrizione fisica	1 online resource (169 p.)
Altri autori (Persone)	WitzelBradley S
Disciplina	372.7 510.71
Soggetti	Curriculum planning Effective teaching Learning disabled children - Education Mathematical ability - Testing Mathematics - Study and teaching (Elementary) Mathematics - Study and teaching (Middle school) Electronic books.
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Cover; Contents; Preface; Acknowledgments; About the Authors; Chapter 1 - What Is RTI, and Why Is It Important?; Chapter 2 - The RTI Process for Math: Getting Started; Chapter 3 - A Tiered Approach to More Effective Mathematics Instruction; Chapter 4 - Mathematics Interventions Overview; Chapter 5 - Number Sense and Initial Math Skills; Chapter 6 - Building Students' Proficiency With Whole Numbers; Chapter 7 - Fractions and Decimals; Chapter 8 - Teaching Problem Solving Strategically; Chapter 9 - The Importance of Teaching Mathematical Vocabulary; Chapter 10 - Next Steps in the RTI Process References Index
Sommario/riassunto	Response to Intervention (RTI) is a relatively new system for assessment and instruction that has promising potential for teaching mathematics. This text presents a discussion about RTI in mathematics and offers

guidelines for teachers responsible for the planning, designing, and delivering of mathematics instructional programmes.
