Sommario/riassunto

Turn adversity from fearsome foe to welcome friend. Ordinary resilience is not enough to inspire teams to greatness. Effective leaders must welcome adversity and harness it for positive change that creates results. Bounce forward from adversity to lead a successful learning organization that can face new challenges and build for the future. Drawing on experiences as a transformational leadership coach, the author helps readers by: Defining leadership resiliency Explaining how leadership resiliency applies in educational leadership Showing you how to find it in yourself Outlin
