Sommario/riassunto As Australia became a nation in 1901, no-one anticipated that 'Aboriginal affairs'would become an on-going national preoccupation. Not 'dying out'as predicted, Aboriginal numbers recovered and – along with Torres Strait Islanders – they became an articulate presence, aggrieved at colonial authority's interventions into family life and continuing dispossession. Indigenous and Other Australians since 1901 narrates their recovery - not only in numbers but in cultural confidence and critical self-awareness. Pointing to Indigenous leaders, it also reassesses the contribution of government and mission 'protection'policies and the revised definitions of 'Aboriginal'. Timothy Rowse explains why Australia has conceded a large Indigenous Land and Sea Estate since the 1960s, and argues that the crisis in 'selfdetermination'since 2000 has been fuelled by Indigenous critique of
