

1. Record Nr.	UNINA9910480419303321
Autore	National Academies of Sciences Engineering, and Medicine
Titolo	Onshore unconventional hydrocarbon development : induced seismicity and innovations in managing risk-day 2 : proceedings of a workshop / / Elizabeth A. Eide, rapporteur ; Roundtable on Unconventional Hydrocarbon Development [and three others]
Pubbl/distr/stampa	Washington, DC : , : The National Academies Press, , [2018] ©2018
ISBN	0-309-47481-7
Descrizione fisica	1 online resource (55 pages)
Disciplina	551.22
Soggetti	Induced seismicity - United States Oil wells - United States - Hydraulic fracturing Oil wells - Technological innovations - United States Electronic books.
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
