Sommario/riassunto	Discover key strategies for making words the core of classroom instruction and engagement. Literacy guru Larry Swartz offers novel ways to expand students' interest in and facility with words and word power — day by day, word by word. This practical resource is designed to help students discover why words matter as they build vocabulary; gain confidence to spell new and difficult words; develop word recognition and process un-familiar words when reading; increase understanding of words in the content areas; inquire about word meanings and derivations; play with and celebrate words and language; and much more!
