

1. Record Nr.	UNINA9910480872703321
Titolo	Combinatorics and ordered sets : proceedings of the AMS-IMS-SIAM joint summer research conference, held August 11-17, 1985, with support from the National Science Foundation // Ivan Rival, editor
Pubbl/distr/stampa	Providence, Rhode Island : , : American Mathematical Society, , 1986
ISBN	0-8218-7644-9
Descrizione fisica	1 online resource (302 p.)
Collana	Contemporary mathematics ; ; volume 57
Disciplina	511.3/2
Soggetti	Ordered sets Combinatorial set theory Electronic books.
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographies.
Nota di contenuto	""Contents""; ""Preface""; ""Participants""; ""Scientific Programme""; ""Ordera€?theoretic aspects of scheduling""; ""Radon transforms in combinatorics and lattice theory""; ""Recursive ordered sets""; ""Orientations and reorientations of graphs""; ""Abstract convexity and meet--distributive lattices""; ""Correlation and order""; ""1. Introduction""; ""2. Correlation""; ""3. The linear extension model""; ""4. Tools""; ""5. Results""; ""6. Problems""; ""Retracts: graphs and ordered sets from the metric point of view""; ""Antichains and cutsets""; ""Stories about order and the letter N (en)""
