Nota di bibliografia	Includes bibliographical references.
Nota di contenuto	part I. Business elites -- part II. Professional elites -- part III. Community and political elites.
Sommario/riassunto	The very nature of elites makes them difficult for social researchers to study. This volume provides valuable insights into how researchers can successfully gain access to elite settings. Using their actual experiences, the contributors provide constructive advice as well as cautionary tales about how they learned to manoeuvre and become accepted in worlds otherwise closed to them.
