**Sommario/riassunto**

Exploring the only option for a growing army of children who cannot be placed for adoption or fostering, this text demonstrates from a large-scale survey of orphan alumni that they outpace the general population in most areas of life.

Sommario/riassunto

When Doris Kartinyeri was a month old, her mother died. The family gathered to mourn their loss and welcome the new baby home. But Doris never arrived to live with her family ? she was stolen from the hospital and placed in Colebrook Home, where she stayed for the next fourteen years. The legacy of being a member of the Stolen Generations continued for Doris as she was placed in white homes as a virtual slave, struggled through relationships and suffered with anxiety and mental illness. This is a life that has been kicked around. It is the compelling and sometimes witty memoir of a cou
