Sommario/riassunto	The Cold War was a turbulent time to grow up in. Family ties were tested, friendships were torn apart and new beliefs forged out of the ruins of old loyalties. In this book, through twelve evocative stories of childhood and early adulthood in Australia during the Cold War years, writers from vastly different backgrounds explore how global political

events affected the intimate space of home, family life and friendships. Some writers were barely in their teens when they felt the first touches of their parents' political lives, both on the Left and the Right. Others grew up in households well at
