Sommario/riassunto

David conducts an office romance by e-mail. He has love at his fingertips. But a shocking admission unravels his relationship piece by chilling piece. Jess loves David. She believes happiness can be bought--but it doesn't come cheap in a world of easy credit. Jess and David's ideal blend of love and money is killing them. Funny but heart wrenching, this ingenious drama dares us to enter a dislocated world of bad debts and even worse desires. Love and Money opened at the Manchester Royal Exchange in October 2006 with a transfer to the Young Vic, London.
