Sommario/riassunto	This book introduces the press release work carried out by Ministry of Ecology and Environment of the People's Republic of China in 2019. It is divided into four parts, each arranged chronologically. The first part contains the records of Li Ganjie, Minister of the Ministry of Ecology and Environment, who attended the press conference on "Promoting Ecological Civilization and Building a Beautiful China". The second part contains the records of Minister Li Ganjie's attendance at the press conference of the National People's Congress and the Chinese Political Consultative Conference as well as the "Minister channel". The third part contains the records of four press conferences on ecological and environmental protection held by the State Council Information Office of the People's Republic of China. The fourth part contains the records of 12 regular press conferences held by the Ministry of Ecology and Environment.
