

1. Record Nr.	UNINA9910254773703321
Titolo	Enlightened Colonialism : Civilization Narratives and Imperial Politics in the Age of Reason / / edited by Damien Tricoire
Pubbl/distr/stampa	Cham : , : Springer International Publishing : , : Imprint : Palgrave Macmillan, , 2017
ISBN	9783319542805 331954280X
Edizione	[1st ed. 2017.]
Descrizione fisica	1 online resource (319 pages) : illustrations
Collana	Cambridge Imperial and Post-Colonial Studies, , 2635-1641
Disciplina	325.32
Soggetti	Imperialism World politics World history Civilization - History Intellectual life - History Imperialism and Colonialism Political History World History, Global and Transnational History Cultural History Intellectual History
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di bibliografia	Includes bibliographical references at the end of each chapters and index.
Nota di contenuto	Chapter 1: Introduction; Damien Tricoire -- Part I The Invention of Enlightenment and the Return of Assimilationist Policy -- Chapter 2: The Enlightenment and the Politics of Civilization: Self-colonization, Catholicism, and Assimilationism in Eighteenth-century France; Damien Tricoire -- Chapter 3: Enlightened Colonialism? French Assimilationism, Silencing, and Colonial Fantasy on Madagascar; Damien Tricoire -- Part II From Civilizing to Assimilationist Policy -- Chapter 4: Portuguese Indigenous Policy and Indigenous Policies in the Age of Enlightenment: Assimilationist Ideals and the Preservation of Indigenous Identities; Maria Regina Celestino de Almeida -- Chapter 5: New Forms of Colonialism on the Frontiers of Hispanic America: Assimilationist

Projects and Economic Disputes (Río de la Plata, late 18th century); Lía Quarleri -- Part III The Invention of Intra-European Colonialism -- Chapter 6: Civilizing Strategies and the Beginning of Colonial Policy in the Eighteenth-century Russian Empire; Ricarda Vulpius -- Chapter 7: Creating Differences for Integration: Enlightened Reforms and the Civilizing Mission in the Eastern European Possessions of the Habsburg monarchy (1750-1815); Klemens Kaps -- Part IV Towards Civilizing Policy in the British Empire -- Chapter 8: "Gradually Reclaiming Them from a State of Barbarism": Emergence of and Ambivalence in the Aboriginal Civilization Project in Canada (1815-1857); Alain Beaulieu -- Chapter 9: Europe in an Indian mirror: Comparing Conceptions of Civil Government in Abu Taleb's Travels (1810); Sven Trakulhun -- Part V Civilization, Racial Order, and Slavery -- Chapter 10: Jean-François de Saint-Lambert and His Moral conte "Ziméo" (1769) in the Context of Abolitionist and Imperial Activities; Anja Bandau -- Chapter 11: Slavery and the Enlightenment in Jamaica and the British Empire, 1760-1772: the Afterlife of Tacky's Rebellion and the Origins of British Abolitionism; Trevor Burnard -- Chapter 12: France, the Abolition of Slavery, and Abolitionisms in the Eighteenth Century; Matthias Middell -- Chapter 13: Colonial Enlightenment and the French Revolution: Julien Raimond and Milcent Cr  ole; Jeremy D. Popkin -- Chapter 14: Black Athena in Haiti: Universal History, Civilization, and the Pre-History of Negritude in the Kingdom of Henry Christophe; Doris L. Garraway.

#### Sommario/riassunto

This book further qualifies the postcolonial thesis and shows its limits. To reach these goals, it links text analysis and political history on a global comparative scale. Focusing on imperial agents, their narratives of progress, and their political aims and strategies, it asks whether Enlightenment gave birth to a new colonialism between 1760 and 1820. Has Enlightenment provided the cultural and intellectual origins of modern colonialism? For decades, historians of political thought, philosophy, and literature have debated this question. On one side, many postcolonial authors believe that enlightened rationalism helped delegitimize non-European cultures. On the other side, some historians of ideas and literature are willing to defend at least some eighteenth-century philosophers whom they consider to have been "anti-colonialists". Surprisingly enough, both sides have focused on literary and philosophical texts, but have rarely taken political and social practice into account.

2. Record Nr.	UNINA9910483040803321
Titolo	Moyamoya Disease: Current Knowledge and Future Perspectives // edited by Satoshi Kuroda
Pubbl/distr/stampa	Singapore : , : Springer Nature Singapore : , : Imprint : Springer, , 2021
ISBN	981-336-404-1
Edizione	[1st ed. 2021.]
Descrizione fisica	1 online resource (xv, 341 pages) : illustrations
Collana	Medicine Series
Disciplina	617.48
Soggetti	Nervous system - Surgery Nervous system - Radiography Neurosurgery Neuroradiology Malalties cerebrovasculars Neurocirurgia Llibres electrònics
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di contenuto	Part I Concept of Moyamoya Disease -- 1 History of Disease Entity & Diagnosis Criteria -- 2 Moyamoya Syndrome -- 3 Unilateral Moyamoya Disease: A Distinct Entity? -- Part II Genetic Aspect of Moyamoya Disease -- 4 RNF213 as Susceptibility Gene -- 5 RNF213 and clinical feature -- 6 RNF213 Variant as a Biomarker of Cerebrovascular Disease -- Part III Pathophysiology of Moyamoya Disease -- 7 TIA & Headache in Pediatric Moyamoya Disease -- 8 Ischemic stroke -- 9 Hemorrhagic Stroke and the Japan Adult Moyamoya Trial -- 10 Cognitive Function in Pediatric Moyamoya Disease -- 11 Cognitive Dysfunction in Adults -- 12 Asymptomatic Moyamoya Disease -- Part IV Update on Neuroradiology in Moyamoya Disease -- 13 Periventricular Anastomosis -- 14 Arterial Shrinkage -- 15 Disease progression -- 16 Postoperative hyperperfusion -- 17 Postoperative FLAIR Imaging Changes -- Part V Real World of Surgical Revascularization for Moyamoya Disease -- 18 Overview of Surgical Revascularization and Long-term Outcome in Japan -- 19 Perioperative complications -- 20 Long-term Outcome in Europe -- 21 Long Term Outcomes in USA --

22 Long-term Outcome in China -- 23 Long-term outcome of revascularization surgery for moyamoya disease in Korea -- 24 Indirect bypass surgery for moyamoya disease -- 25 Direct/combined bypass surgery -- 26 Special Considerations—Infants -- 27 Special Considerations – Elderly.

#### Sommario/riassunto

This book brings together the latest knowledge on moyamoya disease, covering diagnostic criteria, status as a disease entity, genetic aspects, pathophysiology, novel neuroradiological findings, and surgical therapy. Information is also provided on recent basic and clinical research with the aim of identifying future perspectives on the disease. Since moyamoya disease was first reported in an English language article more than 50 years ago, our understanding of it has advanced considerably. Genetic and radiological analysis has delivered novel insights, and the latest multicenter studies are changing routine diagnosis and surgical therapy. The gene encoding the ring finger protein 213 (RNF213) has been identified as a susceptibility gene for moyamoya disease. Indications and procedures for surgical revascularization have been revised, with resultant improvements in outcomes, and studies performed over the past decade have provided new knowledge on the neuroradiological findings before and after surgery. In describing these advances, this book will be an invaluable asset for all general physicians, pediatricians, neurologists, radiologists, and neurosurgeons who care for patients with moyamoya disease across the world.
