Descrizione fisica	1 online resource (92 p.)
Collana	SpringerBriefs in Law, , 2192-8568
Disciplina	342
Soggetti	Law - Philosophy Law - History Law - Europe Theories of Law, Philosophy of Law, Legal History Philosophy of Law European Law
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references.
Nota di contenuto	Introduction -- Political Virtues -- Political Values -- The European Constitution, a Republican Construction? -- Global Crisis and European Constitution.
Sommario/riassunto	Is the dream of EU endangered? This book reviews classic and modern values and virtues, and uses them in order to rethink Europe's present politics and its future. The idea of the Republic was born with the political ethics of ancient Greece. The current international crisis obliges Europe to face the mirror of truth: What has become of the European Idea and how fares the European Constitution? It has been a long road from the Greek Politeia to the present lack of values and financial monomania in Europe, who seems to have lost any harmony between the spirit, the soul and the body of her Constitution: the will and values of the people (material constitution), the text of the Lisbon Treaty (formal constitution) and its current political interpretation and action (real constitution), making Europe a two-tier or three-tier club, far from the dream of the founding fathers. Without republican values and virtues, and failing to uphold the European social model, the

European Union would devolve into moral, social and democratic
bankruptcy.
