impact of Brexit -- 13 Understanding international faculty in the United
States: Who hires them and why? -- Part 4 Conclusion -- 14
Conclusion: International faculty in higher education - here to stay?.

Sommario/riassunto

This book explores key aspects of the personal, educational and professional characteristics of international faculty members, their work roles and challenges they face in Asia and the Pacific, compared to those from Europe and the United States. It focuses on globalization of the academic profession and provides a more comprehensive analysis of an overall portrait of international faculty members at work in various higher education systems. .
