Autore	Sansonetti Philippe
Titolo	Tu aimeras tes microbes comme toi-même : Leçon de clôture prononcée le 22 janvier 2020 // Philippe Sansonetti
Pubbl/distr/stampa	Paris, : Collège de France, 2020
ISBN	2-7226-0547-3
Descrizione fisica	1 online resource (88 p.)
Collana	Leçons de clôture
Soggetti	History & Philosophy Of Science Public Health & Health Care Science maladies infectieuses médecine microbes microbiologie vaccins
Lingua di pubblicazione	Francese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	Si l'histoire de la microbiologie a prouvé que l'existence de « bulles » sans microbes était possible, à quoi ressemblerait un monde sans microbes ? Entre représentations utopiques et faits scientifiques, Philippe Sansonetti retrace l'épopée des microbes, de leur découverte en 1674 jusqu'à nos jours, et invite à réfléchir sur le regard que nous portons sur ces êtres vivants apparus il y a 3 milliards et demi d'années. Paraphrasant l'Évangile selon saint Matthieu – tu aimeras tes microbes comme toi-même –, il nous alerte sur les dangers de l'appauvrissement en cours de la diversité microbienne. S'il faut maîtriser les microbes pathogènes, il faut également préserver les microbes indispensables à l'équilibre du vivant et de la planète. Cette perspective nécessite des changements drastiques dans nos approches médicales, vétérinaires et environnementales.

2. Record Nr.	UNINA9910483683803321
Autore	Pawlak Mirosław
Titolo	Error Correction in the Foreign Language Classroom : Reconsidering the Issues // by Mirosław Pawlak
Pubbl/distr/stampa	Berlin, Heidelberg : , : Springer Berlin Heidelberg : , : Imprint : Springer, , 2014

Edizione	[1st ed. 2014.]
Descrizione fisica	xii, 288 p. : ill
Collana	Second Language Learning and Teaching, , 2193-7656
Disciplina	418.007
Soggetti	Applied linguistics Language and languages - Study and teaching Applied Linguistics Language Education
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Bibliographic Level Mode of Issuance: Monograph
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Error Correction as an option in form-focused instruction -- Perspectives on error correction -- Pedagogical choices in error correction -- Research on error correction.
Sommario/riassunto	The book aims to dispel some of the myths surrounding the place of oral and written error correction in language education by providing an exhaustive and up-to-date account of issues involved in this area, taking the stance that the provision of corrective feedback constitutes an integral part of form-focused instruction. This account places an equal emphasis on the relevant theoretical claims, the most recent research findings and everyday pedagogical concerns, particularly as they apply to the teaching of additional languages in the foreign language setting. The book will be of relevance and significance not only to specialists in the field of second language acquisition, but also to graduate and doctoral students carrying out research in the area of form-focused instruction and error correction. Many parts of the volume will also be of considerable interest and utility to teachers of foreign languages at different educational levels.
