ISBN	1-281-07895-6 9786611078959 1-84663-625-6
Descrizione fisica	1 online resource (77 p.)
Collana	International journal of sociology and social policy, , 0144-333X ; ; v. 27, no. 9/10 New modes of governance in activation policies
Altri autori (Persone)	BerkelRik van BorghiVando
Disciplina	361.610941
Soggetti	Social policy Sociology
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references.
Nota di contenuto	Cover; CONTENTS; EDITORIAL ADVISORY BOARD; Contextualising new modes of governance in activation policies; The "double dynamics" of activation; The government of activation policies by EU institutions; Governing the activation of older workers in the European Union; The impact of contractualism in social policies; Individualised service provision in an era of activation and new governance
Sommario/riassunto	This is the second e-book of the International Journal of Sociology and Social Policy dedicated to the discussion and analysis of the introduction of new modes of governance in activation or reintegration policies. While the introduction of the previous issue focused on the concepts of ""governance"" and ""activation"", their multiple meanings and their complex and ambiguous interweaving, here we will attempt to interpret the changes addressed by those concepts in their context, in order to grasp the larger picture of the societal transformation underlying them. In other words, our starting po
