| Sommario/riassunto | This book presents and brings together research on child sexual abuse from various countries and cultures in the Arab Region. It addresses the |

multiple types of Child Sexual Abuse Exploitation and Trafficking (CSAET) and responds to the expanding burden of its diverse presentations. The book identifies appropriate structures for efficient programs that are to be accepted and developed by diverse cultures in the region, in order to develop an action plan to combat sexual violence against children. It studies the gathered to date child sexual abuse protection systems in the Arab region, covering issues such as children's rights, challenges of protection and advocates for peaceful, safe, healthy and happy environments for children and their families. .
