

1. Record Nr.	UNINA9910484247003321
Titolo	Uveitis : a quick guide to essential diagnosis // C. Stephen Foster, Stephen D. Anesi and Peter Y. Chang (Editors)
Pubbl/distr/stampa	Cham, Switzerland : , : Springer, , [2021] Â©2021
ISBN	3-030-52974-6
Edizione	[1st ed. 2021.]
Descrizione fisica	1 online resource (XIII, 347 p.)
Disciplina	617.72
Soggetti	Uveitis - Diagnosis Ophthalmology
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Includes index.
Nota di contenuto	Chapter 1. Diagnosis Flowchart -- Chapter 2. Seronegative Spondyloarthropathies -- Chapter 3. Systemic Lupus Erythematosus -- Chapter 4. Scleroderma -- Chapter 5. Fuchs' Heterochromic Iridocyclitis -- Chapter 6. Sarcoidosis -- Chapter 7. Adamantiades- Behçet's Disease -- Chapter 8. Polyarteritis Nodosa -- Chapter 9. Granulomatosis with Polyangiitis -- Chapter 10. Relapsing Polychondritis -- Chapter 11. Pars Planitis -- Chapter 12. Multiple Sclerosis -- Chapter 13. Lens-Induced Uveitis -- Chapter 14. Tubulointerstitial Nephritis and Uveitis Syndrome -- Chapter 15. Birdshot Retinochoroidopathy -- Chapter 16. Sympathetic Ophthalmia -- Chapter 17. Vogt-Koyanagi-Harada Syndrome -- Chapter 18. Multifocal Choroiditis and Panuveitis -- Chapter 19. Multiple Evanescent White Dot Syndrome -- Chapter 20. Acute Posterior Multifocal Placoid Pigment Epitheliopathy -- Chapter 21. Acute Retinal Pigment Epithelitis -- Chapter 22. Serpiginous Choroidopathy -- Chapter 23. Subretinal Fibrosis and Uveitis Syndrome -- Chapter 24. Punctate Inner Choroidopathy -- Chapter 25. Acute Zonal Occult Outer Retinopathy -- Chapter 26. Syphilis -- Chapter 27. Lyme Disease -- Chapter 28. Bartonella -- Chapter 29. Tuberculosis -- Chapter 30. Leptospirosis -- Chapter 31. Brucellosis -- Chapter 32. Whipple's Disease -- Chapter 33. Rickettsial Diseases -- Chapter 34. Leprosy -- Chapter 35. Herpesviruses -- Chapter 36. Rift Valley Fever -- Chapter

37. Measles (Rubeola) -- Chapter 38. Rubella -- Chapter 39. Emergent Viral Infections -- Chapter 40. Presumed Ocular Histoplasmosis Syndrome -- Chapter 41. Candidiasis -- Chapter 42. Coccidioidomycosis -- Chapter 43. Cryptococcosis -- Chapter 44. Sporotrichosis -- Chapter 45. Pneumocytosis -- Chapter 46. Toxoplasmosis -- Chapter 47. Acanthamoeba -- Chapter 48. Giardia lamblia -- Chapter 49. Trypanosomiasis -- Chapter 50. Other Vector-borne Parasitic Infections -- Chapter 51. Toxocariasis -- Chapter 52. Ascariasis -- Chapter 53. Onchocerciasis -- Chapter 54. Loiasis -- Chapter 55. Cysticercosis -- Chapter 56. Diffuse Unilateral Subacute Neuroretinitis -- Chapter 57. Schistosomiasis -- Chapter 58. Ophthalmomyiasis -- Chapter 59. Ophthalmia Nodosa -- Chapter 60. HIV-associated Uveitis -- Chapter 61. Endophthalmitis -- Chapter 62. Vitreoretinal Lymphoma -- Chapter 63. Ocular Leukemia -- Chapter 64. Ocular Metastasis -- Chapter 65. Uveal Melanoma -- Chapter 66. Benign Lymphoid Hyperplasia of the Uvea -- Chapter 67. Juvenile Xanthogranuloma -- Chapter 68. Retinitis Pigmentosa -- Chapter 69. Intraocular Foreign Body -- Chapter 70. Drug-induced Uveitis -- Chapter 71. Uveitis During Pregnancy -- Appendix I. Sun Nomenclature -- Appendix II. Pharmacopeia.

Sommario/riassunto

Focusing solely on uveitis care, this quick reference guide will provide a compiled and easy to navigate differential diagnosis – making an often daunting task for clinicians easier, quicker, and more accurate by using a concise outline format to list the most critical aspects of a disease entity. Uveitis: A Quick Guide to Essential Diagnosis opens with a Diagnosis Flowchart, so that the reader can select the most probable diagnoses based on patient's history and exam. From there the reader can then quickly turn to the corresponding chapter to learn about the most critical aspects of the disease entity: epidemiology, characteristic exam and imaging findings, prognostic factors, and treatment options. This book is written for ophthalmic care providers including general ophthalmologists, subspecialists, fellows, residents and optometrists and features research and contributions from institutions that are global leaders in uveitis care.
