

1. Record Nr.	UNINA9910484455103321
Titolo	Endocrine emergencies : recognition and treatment // edited by Lynn Loriaux, Chaim Vanek
Pubbl/distr/stampa	Cham, Switzerland : , : Springer, , [2021] ©2021
ISBN	3-030-67455-X
Edizione	[2nd ed.]
Descrizione fisica	1 online resource (278 pages) : illustrations
Collana	Contemporary Endocrinology
Disciplina	616.4
Soggetti	Endocrine glands - Diseases - Treatment Emergency medicine Endocrine glands - Diseases - Diagnosis Malalties de les glàndules endocrines Medicina d'urgència Llibres electrònics
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Intro -- Series Editor Foreword -- Preface -- Contents -- Contributors -- Chapter 1: Acute Adrenal Insufficiency -- Precis -- Acute Adrenal Insufficiency -- The Adrenal Response to Stress -- The Cortrosyn® Stimulation Test -- Conclusion -- References -- Chapter 2: Diabetic Ketoacidosis and Hyperosmolar Hyperglycemic Syndrome -- Precis -- Introduction -- Pathogenesis -- Diagnosis -- History and Physical Examination -- Laboratory Findings -- Differential Diagnosis -- Treatment -- Fluid Therapy -- Insulin Therapy -- Potassium Replacement -- Phosphate Replacement -- Bicarbonate Therapy -- Search for Precipitating Factors -- Resolution of DKA and HHS -- Transition to Subcutaneous Insulin -- Complications -- Prevention -- References -- Chapter 3: Hypoglycemia -- Precis -- Frequency and Impact of Hypoglycemia -- Physiologic and Behavioral Defenses Against Hypoglycemia -- Pathophysiology of Hypoglycemia -- Risk Factors for Hypoglycemia and Risk Factor Reduction in Diabetes -- References -- Chapter 4: Necrotizing Soft Tissue Infections -- Precis -- Necrotizing Soft Tissue Infection -- Clinical Presentation -- Diagnosis

-- Treatment -- Summary -- References -- Chapter 5: Malignant (Necrotizing) Otitis Externa -- Precis -- Malignant (Necrotizing) Otitis Externa -- Diabetic Susceptibility -- Pathogenesis -- Clinical Presentation -- Diagnosis -- Treatment -- Prognosis -- Summary -- References -- Chapter 6: Mucormycosis -- Precis -- Mucormycosis -- Diabetic Susceptibility -- Pathogenesis and Microbiology -- Clinical Presentation -- Diagnosis -- Treatment -- Mortality -- Summary -- References -- Chapter 7: Emphysematous Cholecystitis -- Precis -- Emphysematous Cholecystitis -- Pathogenesis and Microbiology -- Clinical Presentation -- Diagnosis -- Treatment -- Prognosis -- Summary -- References -- Chapter 8: Emphysematous Pyelonephritis -- Precis.

Infectious Emergencies in Diabetics -- Emphysematous Pyelonephritis -- Diabetic Susceptibility to Emphysematous Pyelonephritis -- Clinical Presentation -- Diagnosis -- Radiographic Classification -- Treatment -- Prognosis -- Summary -- References -- Chapter 9: Thyrotoxic Crisis: Thyroid Storm -- Precis -- Pathogenesis -- Etiology (See Table 9.1) -- Clinical Presentation -- Diagnosis -- Management -- Antithyroid Medications (Thionamides) -- Iodine Therapy -- Blockade -- Steroids -- Alternative Therapies (See Table 9.4) -- Lithium -- Potassium Perchlorate -- Anti-adrenergic Agents -- Cholestyramine -- Plasmapheresis, Charcoal, and Resin Hemoperfusion -- Supportive Care/Treatment of Precipitating Cause -- Perioperative Management -- Elective/Nonurgent Procedures -- Emergent Procedures -- Definitive Therapy -- References -- Chapter 10: Myxedema Coma -- Precis -- Introduction -- Historical Remarks -- Pathogenesis -- Clinical Presentation -- Diagnosis -- Management -- References -- Chapter 11: Acute Suppurative Thyroiditis -- Precis -- Acute Suppurative Thyroiditis -- Predisposing Factors -- Microbiology -- Clinical Presentation -- Diagnosis -- Treatment -- Summary -- References -- Chapter 12: Hyponatremia: SIADH -- Precis -- Syndrome of Inappropriate Antidiuretic Hormone -- Antidiuretic Hormone Secretion -- Presentation and Diagnosis -- Treatment of Symptomatic SIADH -- References -- Chapter 13: Diabetes Insipidus -- Precis -- Diabetes Insipidus -- Antidiuretic Hormone Secretion -- Causes and Classification of Diabetes Insipidus -- Presentation and Diagnosis -- Treatment of Hypernatremia -- Correcting the Water Deficit -- Ongoing Losses -- Treating the Underlying Disorder -- References -- Chapter 14: Pheochromocytoma Hypertensive Crisis -- Precis -- Pheochromocytoma -- References -- Chapter 15: Hypocalcemia -- Precis -- Introduction -- Etiology.

Clinical Signs and Features -- Laboratory Evaluation -- Treatment -- References -- Chapter 16: Hypercalcemia -- Precis -- Etiology -- Clinical Signs and Features -- Laboratory Evaluation -- Treatment -- References -- Chapter 17: Pituitary Apoplexy -- Precis -- Introduction -- Pathogenesis of Pituitary Apoplexy and Clinical Manifestations -- Pituitary Anatomy -- Pituitary Blood Supply -- Pathogenesis -- Pathophysiology of the Clinical Manifestations -- Pathophysiology of Hypopituitarism -- Epidemiology -- Recognition -- Clinical History -- Initial Laboratory Assessment -- Imaging Evaluation -- Etiologies -- Precipitating Factors -- Differential Diagnosis -- Management and Outcomes -- Initial Assessment -- Endocrine Assessment -- Radiological Assessment -- Treatment and Outcomes -- Steroid Therapy -- Surgical Versus Conservative Management -- Timing of Surgery -- Outcomes of Visual Function -- Outcomes of Ocular Palsies -- Outcomes of Hypopituitarism -- Postoperative Care -- Long-Term Management -- Mortality -- Conclusion -- References -- Chapter 18: Ovarian Hyperstimulation Syndrome (OHSS) -- Precis --

Pathophysiology -- Clinical Presentation -- Prevention of OHSS --
Selection of Stimulation Regimens Based on Risk Stratification --
Cryopreserving All Embryos and Delaying Embryo Transfer to Another
Cycle -- Treatment of OHSS -- Recombinant Tissue Plasminogen
Activator to Treat Thrombosis -- Pregnancy Outcome -- References --
Chapter 19: Ambiguous Genitalia in the Newborn -- Precis -- Clinical
Issues -- A Word about "Sex" and "Gender" -- Embryology --
Pathophysiology of DSD -- 46,XX DSD -- 46,XY DSD -- Other
Disorders to Consider -- Diagnosis -- Clinical Setting -- History --
Physical Examination -- Laboratory Evaluation -- Imaging Studies --
Treatment -- Medical Management -- Surgical Management --
Complications -- Prognosis -- References.
Chapter 20: Porphyrrias: Acute Manifestations -- Precis -- Introduction
-- Acute Porphyrrias: AIP, HCP, VP, and ADP -- Clinical Presentation --
Pertinent History and Exam -- Pertinent Laboratory Data -- Diagnosis:
Key Tests -- Treatment -- Erythropoietic Protoporphyrria "Hepatic
Crisis" -- Clinical Presentation -- Pertinent History -- Pertinent Physical
Findings -- Pertinent Laboratory Data -- Treatment -- References --
Chapter 21: Acute Pancreatitis Due to Hyperchylomicronemia -- Precis
-- Triglyceride Metabolism -- Mechanism of Chylomicron-Induced
Pancreatitis -- Clinical Presentation -- Treatment -- Summary --
References -- Index.
