1. Record Nr.                  UNINA9910484783203321

   Titolo                      Cloud Computing and Security : First International Conference, ICCCS 2015, Nanjing, China, August 13-15, 2015. Revised Selected Papers / / edited by Zhiqiu Huang, Xingming Sun, Junzhou Luo, Jian Wang

   Pubbl/distr/stampa          Cham : , : Springer International Publishing : , : Imprint : Springer, , 2015

   ISBN                        3-319-27051-6

   Edizione                    [1st ed. 2015.]

   Descrizione fisica          1 online resource (XII, 562 p. 211 illus. in color.)

   Collana                     Information Systems and Applications, incl. Internet/Web, and HCI ; ; 9483

   Disciplina                  005.7

   Soggetti                    Application software
                               Computer communication systems
                               Algorithms
                               Management information systems
                               Computer science
                               Data encryption (Computer science)
                               Computers and civilization
                               Information Systems Applications (incl. Internet)
                               Computer Communication Networks
                               Algorithm Analysis and Problem Complexity
                               Management of Computing and Information Systems
                               Cryptology
                               Computers and Society

   Lingua di pubblicazione     Inglese

   Formato                     Materiale a stampa

   Livello bibliografico       Monografia

   Note generali               Bibliographic Level Mode of Issuance: Monograph

   Nota di contenuto           Data Security -- System Security -- Cloud Platform -- and Data Analysis in Cloud.

   Sommario/riassunto          This book constitutes the proceedings of the International Conference on Cloud Computing and Security (ICCCS 2015) will be held on August 13-15, 2015 in Nanjing, China. The objective of ICCCS 2015 is to provide a forum for researchers, academicians, engineers, industrial professionals, students and government officials involved in the
