Sommario/riassunto	""Between A and Z"" is a collection of poems that begins in Tehran, Iran,

and ends in San Antonio, Texas, with plenty of stops along the way to observe people, places and nature, and to gather stories. Saidi is a great storyteller, and his poems are rich with the lives of people he has met around the globe. Politically liberal, intellectually astute, and emotionally powerful, and full of compassion, these are poems that resonate with a wide range of readers.
