

1. Record Nr.	UNINA9910488715303321
Autore	Norton M. Grant (Murray Grant)
Titolo	Ten materials that shaped our world // M. Grant Norton
Pubbl/distr/stampa	Cham, Switzerland : , : Copernicus Books, , [2021] ©2021
ISBN	3-030-75213-5
Descrizione fisica	1 online resource (210 pages)
Disciplina	620.1109
Soggetti	Materials - History
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Includes index.
Nota di contenuto	Intro -- Acknowledgments -- Contents -- 1 Introduction -- 1.1 Looking at the World as a Materials Scientist -- 1.2 Why This Book -- 1.3 Why These Materials -- References -- 2 Flint-The Material of Evolution -- References -- 3 Clay-The Material of Life -- References -- 4 Iron-The Material of Industry -- References -- 5 Gold-The Material of Empire -- References -- 6 Glass-The Material of Clarity -- References -- 7 Cement-The Material of Grandeur -- References -- 8 Rubber-The Material of Possibilities -- References -- 9 Polyethylene-The Material of Chance -- References -- 10 Aluminum-The Material of Flight -- References -- 11 Silicon-The Material of Information -- References -- 12 Conclusion -- References -- Index.
