

1. Record Nr.	UNINA9910488716603321
Titolo	Advances in ergonomics in design : proceedings of the AHFE 2021 Virtual Conference on Ergonomics in Design, July 25-29, 2021, USA // Francisco Rebelo, editor
Pubbl/distr/stampa	Cham, Switzerland : , : Springer, , [2021] ©2021
ISBN	3-030-79760-0
Descrizione fisica	1 online resource (1034 pages)
Collana	Lecture notes in networks and systems ; ; 261
Disciplina	745.4
Soggetti	Design - Human factors
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Includes index.
Nota di contenuto	<p>Intro -- Advances in Human Factors and Ergonomics 2021 -- Preface</p> <p>-- Contents -- Design for People -- Narrative Benchmarking in Scenario Assessments for Digital Design -- 1 Introduction -- 2 Methodology -- 3 Development -- 4 Conclusion -- References -- Gamification in Communicating the Concept of Circular Economy - A Design Approach -- 1 The Circular Economy in Geographical Areas of Low Density -- 2 The Role of Communication Design for Concepts Displays -- 3 Gamification -- 4 Methodology -- 5 Development -- 6 Conclusion -- References -- Functional and Perceptive Considerations for Type Design -- 1 Functional Characteristics -- 2 Legibility and Reading -- 2.1 Research on Legibility and the Reading Process -- 3 Considerations for Type Design -- 4 Closing Remarks -- References -- The Impact of Edward Johnston's Work on Calligraphy, in 20th and 21st-Century Type Design -- 1 Introduction -- 2 Relationship Between Calligraphy and the First Type Designs -- 3 The Separation Between Calligraphy and Typography -- 4 The Recovery of Calligraphy by Edward Johnston and Its Impact on Contemporary Typography -- 5 Conclusion -- References -- Portuguese Firefighters Anthropometrics: A Preliminary Comparison with Portuguese Workers -- 1 Introduction -- 1.1 Anthropometric Studies in PPE Design -- 1.2 Anthropometric Studies in Portugal -- 1.3 The Study Size FF Portugal -- 2 Materials and Methods -- 3 Results and Discussion -- 3.1 Demographic</p>

Information -- 3.2 Statistics Analysis -- 4 Final Considerations --  
References -- Sustainable Design of Finnish Modern Furniture -- 1  
Introduction -- 2 Concept and Characteristics of Sustainable Design --  
3 Sustainable Development of Finnish Furniture Design -- 3.1  
Sustainability in Finnish Folk Traditional Design -- 3.2 Sustainability  
Awareness in Finnish Modern Design.  
3.3 Sustainability Consciousness Transcends Postmodernist Design --  
3.4 Finnish Contemporary Design for Sustainable Development -- 4  
Analysis of Finnish Furniture Designers and Works Based on Sustainable  
Design -- 5 Sustainable Design Analysis of Modern Furniture Design --  
5.1 Research Focus on Sustainability of Furniture Design -- 5.2 Basic  
Principles and Methods Based on Sustainable Furniture Design -- 6  
Results -- References -- Research Through Co-Design (RTC)  
and Ergonomics -- 1 Introduction -- 2 Methods -- 3 Results -- 4  
Discussion and Conclusion -- References -- A Brand Argument Driven  
Through Art and Schematics. Designing New Perspectives to Transform  
and Empower the Neighborhood -- 1 Introduction -- 2 Theoretical  
Framework -- 3 Methodology -- 4 Context - "Re-inhabiting  
the Neighborhood: Processes of Transformation and Empowerment  
Between University-School-Society Through Artistic Practices" -- 5  
Strategic Axes of Place Branding and of the Integral Tourism Plan  
of the Balearic Islands -- 6 Proposed Argument or Conceptual Brand  
Model for the Balearic Islands -- 7 Some Findings -- References --  
Design, Meaning, and Intention: Communication in Times  
of a Pandemic -- 1 Introduction -- 2 Design Poster and Image -- 3  
Method -- 4 Results and Discussion -- 4.1 Physical Distance -- 4.2  
Use of Mask -- 4.3 Access and Importance of This Information  
in Changing Behaviour -- 5 Conclusions -- References -- Design  
and Communication for the Territory: Promotion and Enhancement  
of Heritage Based on Tourist Routes -- 1 Introduction -- 2 Heritage,  
Culture and Memory -- 3 Heritage and Identity -- 4 Communicate  
the Heritage -- 5 Results -- 6 Discussion -- References -- Book  
Covers as Gateways to Literature -- 1 Historical Evolution of Book  
Covers -- 2 The Design of Book Covers -- 3 The Book Cover  
in the Graphic Design Curricula -- 4 Conclusion -- References.  
Mitigating the Ephemeral Character of Design Exhibitions -- 1  
Introduction -- 2 Aligning Perspectives and Competences  
in Researching Design Exhibitions: The CIDEX.PT Project -- 3 Graph  
Representations: Networking the Information, a Core Approach -- 4  
Conclusions -- References -- The Book's Relevance  
in the Contemporary Editorial Practice -- 1 Publishing in the Post-  
digital Condition -- 2 The Book as an Object of Artistic and Editorial  
Exploration -- 2.1 "Hybrid Novels" and "Visual Writing" -- 3 Conclusion  
-- References -- A Puzzling Confrontation: Overall Quality  
and Usefulness of PhD Design Research vs Master Design Research -- 1  
Introduction -- 2 REDes - A Research Group Dedicated  
to the Assessment of Design Knowledge's Creation -- 3 A Close Look  
to Design PhD Theses -- 4 The Master's Design Sample -- 5  
Comparing Overall Quality and Usefulness Between Design PhD Theses  
and Design Master Dissertations -- 6 Conclusions -- Reference --  
Ergonomics for Buildings, Products and Living Spaces -- Urban Color  
Planning - Color/Space Systems are Central for Visual Languages  
Programming -- 1 Introduction -- 2 The Spatial Value of Color -- 3  
Color as an Element of the Visual Space -- 4 Color/Space Unity -- 5  
Color and Visual Comfort -- 6 Conclusion -- References -- Chromatic  
Plans for Urban Furniture: The Case of Multicolored Urban Zones -- 1  
Introduction -- 2 Color Spatial Value as an Element of the Visual Place  
-- 3 Color and Identity in the Urban Landscape -- 4 The Role of Urban

Furniture on the Landscape -- 4.1 Multichromatic Cities -- 5  
Conclusion -- References -- Evidence-Based Design of Unisex-Portable  
Toilets Layout in Taiwan -- 1 Introduction -- 2 Method -- 3 Results --  
3.1 The Design Proposal -- 3.2 Discussion -- 4 Conclusion --  
References -- Emotional Social System Design of Smart Kitchen  
for Aging Population -- 1 Introduction.  
2 Analysis on the Development Status of Emotional Social Kitchen --  
2.1 The Development of Emotional Social Kitchen -- 2.2 Research  
Status of Elderly Diet and Nutrition Service -- 2.3 Research  
on the Social Demand Service of the Elderly -- 3 Survey on the Needs  
of the Elderly -- 3.1 Elderly User Characteristics -- 3.2 The Mental  
Model of Elderly Users -- 3.3 The Mental Model of Elderly Users -- 4  
Emotional Social Kitchen Design Strategy -- 4.1 Emotional Social  
Services -- 4.2 Human-Computer Interaction -- 5 Design of Emotional  
Social Service System in Smart Kitchen -- 5.1 Hardware Prototype  
and Interaction Design -- 5.2 Service Design Evaluation -- 6  
Conclusion -- References -- Rebuilding a Social House Fabric  
as a Social Reconstruction -- 1 Introduction -- References -- Hospital  
Lobby and User's Perceptions Architectural Kansei Method -- 1  
Introduction: Hospital Lobby and Well-Being -- 2 Applied Kansei  
Method -- 2.1 Instruments -- 2.2 Sample -- 3 Results and Discussion

Introduction -- 2 The Current Situation and Problems of the Industry  
About China Household Ceramics -- 2.1 Current Situation of China  
Household Ceramics -- 2.2 The Existing Problems in the Household  
Ceramics Industry -- 3 The Development Demand of China Household  
Ceramics Design -- 4 The Design of Household Ceramics  
in the Experience Economy -- 4.1 Product Value in the Experience  
Economy -- 4.2 Product Value in the Experience Economy -- 5  
Conclusion -- References -- Multifunctional Design of Portable Baby  
Carriage -- 1 Introduction -- 2 Classification of Baby Strollers -- 3  
Problems of Baby Strollers in Domestic Market -- 4 Multifunctional  
Design Strategy of Baby Stroller.  
4.1 Application of Ergonomics in Baby Strollers -- 4.2 Relationship  
Between Infant Body and Structure of Stroller -- 4.3 Material Selection  
of Baby Stroller -- 5 Fun Design of Baby Stroller -- 6 Conclusion --  
References -- Design of Smart Building Operations and Maintenance
