

1. Record Nr.	UNINA9910488717803321
Titolo	Fractures of the wrist : a clinical casebook / / Nirmal C. Tejwani, editor
Pubbl/distr/stampa	Cham, Switzerland : , : Springer, , [2021] ©2021
ISBN	3-030-74293-8
Descrizione fisica	1 online resource (248 pages)
Disciplina	617.15
Soggetti	Fractures Wrist - Fractures Canell Llibres electrònics
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di contenuto	Intro -- Preface -- Contents -- Contributors -- 1: Both Bone Forearm Fractures (Distal) -- Case Presentation/History/Examination/Initial Management in ED/Office -- Surgical Timing/Planning Including Equipment -- Surgical Tact: Position -- Approach, Fixation Technique -- Postoperative Protocol -- Follow-Up with Radiographs -- Tips and Tricks -- Bibliography -- 2: Galeazzi Fracture Dislocation with Closed Reduction of Distal Radio-Ulna Joint -- Surgical Tact -- Follow-Up -- Salient Points -- Bibliography -- 3: Operative Fixation of Galeazzi Fractures -- Case Presentation -- Injury and Post-Reduction Radiographs -- Treatment and Timing of Surgery -- Surgical Tact -- Position -- Approach -- Fracture Reduction and Fixation -- Postoperative Plan -- Outcome -- Salient Points/Pearls -- References -- 4: Open DRUJ Reduction -- Case Presentation -- History -- Radiographs/CT -- Surgical Timing, Planning, Equipment -- Surgical Tact -- Patient Positioning -- Approach -- Fixation Technique -- Postoperative Protocol -- Follow-Up with Radiographs -- Tips and Tricks -- Bibliography -- 5: Distal Radius Fracture: Volar Plating - Shear Fractures -- Clinical History -- Injury Radiographs -- Treatment Considerations and Timing of Surgery -- Surgical Tact -- Positioning -- Approach -- Fracture Reduction and Fixation -- Postoperative

Protocol -- Follow-Up -- Pearls/Salient Points -- References -- 6: Volar Plating of Distal Radius Fractures -- Case Presentation -- Radiographs -- Surgical Timing and Planning -- Surgical Tact -- Position and Equipment -- Reduction and Fixation Technique -- Watershed Line -- DRUJ Stabilization and Fixation -- Postoperative Protocol -- Follow-Up -- Tips and Tricks -- References -- 7: Distal Radius Fracture Treated with Spanning External Fixation and K-Wires -- Salient Points -- Bibliography -- 8: Fragment-Specific Distal Radius Fixation.

Case Presentation -- Preoperative Imaging -- Surgical Plan -- Surgical Procedure -- Postoperative Protocol -- Postoperative Imaging -- Tips and Tricks -- Bibliography -- 9: Distal Radius Fracture: Combination of Volar Plating/Dorsal Bridge Plate -- Case Presentation -- Radiographs -- Surgical Planning (Index Surgery) -- Surgical Planning -- Equipment -- Surgical Tact -- Postoperative Protocol -- Follow-Up with Radiographs -- Dorsal Bridge Plate Removal -- Tips and Tricks -- References -- 10: Dorsal Plating for Distal Radius Fractures -- Case Presentation/ History/Examination/Initial Management in ED/Office -- Radiographs/CT -- Surgical Timing/Planning Including Equipment -- Surgical Tact: Position, Approach, Fixation Technique -- Postoperative Protocol -- Tips and Tricks -- Bibliography -- 11: Extra-articular Malunions of the Distal Radius -- Case Presentation/ History/Examination/Initial Management in ED/Office -- Radiographs/CT -- Surgical Timing/Planning Including Equipment -- Timing -- Planning -- Surgical Tact: Position -- Approach, Fixation Technique -- Position -- Surgical Approaches -- Fixation -- Postoperative Protocol -- Follow-Up with Radiographs/Pictures if Any -- Tips and Tricks (5 Salient Points) -- Bibliography -- 12: Bridge Plating of Distal Radius Fractures -- Case History -- Clinical History -- Examination -- Initial ED Management -- Imaging (Radiographs/CT) -- Surgical Timing/Preoperative Planning -- Indications and Surgical Timing -- Preoperative Planning -- Equipment -- Surgical Tact -- Positioning -- Reduction -- Approach -- Fixation Technique -- Distal Radioulnar Joint Management -- Postoperative Protocol -- Patient Follow-Up -- Tips and Tricks -- Bibliography -- 13: Compartment Syndrome Forearm and Hand -- Case Presentation/History/Examination/Initial Management -- Surgical Timing, Planning, Equipment.

Surgical Tact: Position, Approach, Fixation Technique -- Postoperative Protocol/Follow-Up Radiographs/Pictures -- Tips and Tricks -- Bibliography -- 14: Arthroscopic-Assisted Fracture Fixation: Distal Radius -- Case Presentation/History/ Examination/Initial Management in ED/Office -- Surgical Timing/Planning Including Equipment -- Surgical Tact: Position, Approach, Fixation Technique -- Postoperative Protocol -- Follow-Up with Radiographs/Pictures if Any -- Tips and Tricks (5 Salient Points) -- Bibliography -- 15: Arthroscopic-Assisted Operative Fixation of Scaphoid Fracture -- Case Presentation -- Preoperative Imaging -- Surgical Plan -- Surgical Procedure -- MidCarpal Arthroscopy -- Postoperative Protocol -- Tips and Tricks -- Bibliography -- 16: Capsulorrhaphy Reconstruction Technique for the Treatment of Chronic Distal Radioulnar Joint Instability -- Tips and Tricks -- Bibliography -- 17: Fractures of the Wrist - Scaphoid Fracture: Waist -- Case Presentation -- Dorsal Approach Case -- Volar Approach Case -- History, Examination, Initial Management -- Radiographs/CT -- Surgical Timing/Planning Including Equipment -- Surgical Tact: Positioning, Approach, Fixation Technique -- Dorsal Approach Case -- Volar Approach Case -- Postoperative Protocol -- Follow-Up with Radiographs -- Dorsal Approach Case -- Volar

Approach Case -- Tips and Tricks -- References -- 18: Surgical Treatment of Scaphoid Non-Union -- History -- Exam -- Preoperative Imaging -- Indications -- Surgical Approach -- Postoperative Protocol -- Postoperative Imaging -- Tips and Tricks [3-5] -- References -- 19: Scaphoid Chronic Non-Union: Vascularized Bone Grafting -- Case Presentation/History/Examination/Initial Management in ED/Office -- Radiographs/CT -- Surgical Timing/Planning Including Equipment -- Surgical Tact: Position, Approach, Fixation Technique -- Postoperative Protocol.

Follow-Up with Radiographs/ Pictures if Any -- Tips and Tricks (5 Salient Points) -- Bibliography -- 20: Scapholunate Dissociation: Dorsal Capsulodesis/Primary Repair -- Case Presentation: History, Examination, and Initial Management -- Imaging -- Surgical Planning -- Surgical Tact -- Postoperative Protocol -- Follow-Up with Imaging -- Tips and Tricks -- Bibliography -- 21: Radiocarpal Dislocation: ORIF -- Case Presentation -- Imaging -- Surgical Planning -- Surgical Tact -- Postoperative Protocol -- Follow-Up -- Tips and Tricks -- References -- 22: Perilunate Dislocation: ORIF -- Case Presentation/Examination/Initial Management/Radiographs -- Surgical Planning: Timing, Equipment -- Surgical Tact: Position, Approach, Fixation Technique -- Postoperative Protocol/Follow-Up Radiographs/Pictures -- Tips and Tricks -- Bibliography -- 23: Chronic Perilunate Dislocation: Excision and Fusion -- Case Presentation -- History -- Physical Examination -- Preoperative Imaging -- Surgical Plan -- Procedure -- Timing -- Equipment -- Implants -- Surgical Technique -- Position -- Approach -- Technique -- Postoperative Protocol -- Follow-Up -- 2 Weeks Postoperative -- 6 Weeks Postoperative -- 9 Weeks Postoperative -- Tips and Tricks -- Bibliography -- 24: Pediatric Salter Harris Distal Radius Fracture: Pinning -- Case Presentation -- Radiographs -- Treatment Options -- Timing from Injury -- Age -- Surgical Indication -- Surgical Approach -- Positioning -- Closed Reduction -- Open Reduction -- Percutaneous Pinning -- Postoperative Protocol -- Salient Points -- Bibliography -- 25: Pediatric Distal both Bone Fracture: Failed Closed Reduction -- Case Presentation/History/Examination/Initial Management in ED/Office -- Radiographs -- Surgical Timing/Planning (Including Equipment) -- Surgical Tact: Position, Approach, Fixation Technique -- Postoperative Protocol.

Follow-Up (with Radiographs) -- Salient Points -- Suggested Readings -- 26: Pediatric Both Bone Fracture: Flexible Nails -- Case Presentation -- Radiographs -- Surgical Timing/Planning Including Equipment -- Surgical Tact: Position, Approach, Fixation Technique -- Postoperative Protocol and Follow-Up -- Tips and Tricks -- Bibliography -- Index.
