Sommario/riassunto	It is a great pleasure to welcome you to the 27th ACM International Symposium on High-Performance Parallel and Distributed Computing (HPDC 2018), and with it to Tempe, Arizona, United States of America. This year's HPDC continues its nearly three-decade tradition as the premier annual conference for presenting the latest research on the design, implementation, evaluation, and the use of parallel and distributed systems for high-end computing.
